

Architectural floor plan of a kitchen area. The plan shows a U-shaped cabinet layout with a central island. Key features and dimensions include:

- Top Cabinet Section:** Labeled "półki w całej wysokości zabudowy" (shelves in full height of the building). Dimensions: 260 (width) and 60 (depth).
- Left Cabinet Section:** Labeled "półki w całej wysokości zabudowy" (shelves in full height of the building). Dimensions: 40 (width) and 107 (height).
- Right Cabinet Section:** Labeled "półki w całej wysokości zabudowy" (shelves in full height of the building). Dimensions: 40 (width) and 170 (height).
- Central Island:** Labeled "H=333" (height). Dimensions: 260 (width) and 100 (depth). It features a curved end with a radius of 208.
- Island Seating:** A chair is shown at the island. Dimensions: 40 (width) and 170 (height).
- Dimensions and Notes:**
 - Overall width: 260
 - Overall height: 333
 - Notes: "fronty elementów zabudowy z płyt MDF, w kolorze białym, płycinowe, cichy domyk" (fronts of building elements from MDF plates, white, panel-free, silent closing); "uchwyty relingi mosiężne z tłoczeniami na zakończeniach uchwyty, dł. 40cm" (brushed metal handles with embossed ends, length 40cm); "cokół wysokości 10cm, w kolorze białym" (base height 10cm, white).
- Other Features:** A door is shown on the right side. A red rectangle is marked on the right wall. A curved wall section is marked with a radius of 130 and a depth of 238.

Architectural drawing showing a door and surrounding wall panels. The door is labeled "drzwi istniejące" (existing door) and features a handle. The wall panels are divided into sections with dimensions:

- Top wall panel: 333 (width), 99 (height), 8 (thickness).
- Middle wall panel: 56 (width), 46 (height), 8 (thickness).
- Bottom wall panel: 64 (width), 8 (thickness).
- Right wall panel: 170 (height), 8 (thickness).
